02	Amir Venegas	n/a	Environment Change	High	CCB_1_8_2004_item2

Request & Decision Summary

	Submitted By	Area Affected	Type of Request	User Impact	Document Title
01	Diana Malen	IMPCASE/ERACASE	Environment Change	Medium	CCB_1_8_2004_item1
	<p>Request: Designer database repository migration is needed to upgrade Designer software to a supported version. The current version of Designer 6i that the project is running is no longer supported by Oracle so it needs to be patched. Designer is also currently running on the IMPCASE, which is on an ORACLE 8i database. This request includes a database migration to the current eRA standard 9.2.0.2. Migration test was performed successfully, therefore final migration and upgrade is required.</p> <p>Decision: Approved Timing: Weekend of 1/9/04</p>				
02	Amir Venegas	n/a	Environment Change	High	CCB_1_8_2004_item2
	<p>Request: Implementing eRA Security Policy in the ECB Council Admin Module</p> <p>ECB has insufficient data in current view. Additional data items with regard to account locking and password expiration date will be needed so that IC coordinators can assist council members with password issues.</p> <p>To satisfy this requirement, it is suggested that a new view on the DBA_USERS table be created, showing just council member accounts.</p> <p>Decision: Creation of view Approved Timing: January 2004, Tim Twomey to coordinate</p> <p>Action Items:</p> <ol style="list-style-type: none"> (Tim Twomey) Report back to CCB on 1/15/04 with plan for package changes and testing.
