

## **Attention FSR System Users!**

The NIH eRA Commons 2.0 Financial Statement Reports (FSR) Project is moving forward to the Pilot Phase during the final two weeks of November. We are working diligently to make this transition as smooth as possible.

During the remaining weeks of this year, we will contact users of the current electronic submittal system to sign them up and help them acclimate to the new way of submitting FSRs.

We will keep you up to date on our progress, so please check back here often.

Sincerely,

The FSR Deployment Team
