The Center for Information Technology (CIT) will make the morning's presentations available to viewers on the NIH network and the Internet from the NIH VideoCast Web site. For details, go to <http://videocast.nih.gov/FutureEvents.asp>. The VideoCast will also be available for viewing after the session (NIH VideoCAST, click Past Events, click HHS only).

Sign language interpreters will be provided. If you need additional accommodations or information contact Gina Sanderson at sandersg@mail.nih.gov.
