Financial Status Report (FSR) Internal Release Notes Version 2.2.4.0

General Update

With this release, the following changes have been instituted within the FSR application.

- 1. Modifications have been made to handle a different format of the Award Document (APPLS_T.AWD_DOC_NUM) that accommodates both the **Old** and **New** formats.
- 2. A modification has been made to ensure that the Activity Code is used to obtain unique Application_ID in relations between FSRs.
- 3. New grant selection rules for foreign grants have been implemented.

FSR Edit Screen (FSR8005)

1. As illustrated in Figure 1. 1, the field name Prior Unexpended Balance has been changed to **Unexpended Balance from Prior Project Period**.

Historical Search Screen (FSR8014)

A correction has been made when performing an Historical Search. Upon returning to the previous screen, the system now returns to the Result page with the same number of records displayed that were displayed originally within the Hit List.
