FCOI

FCOI Annual Report Not Required on Previous Grant Following the Issuance of a Type 6 or Type 7 Award

When a Type 6 or Type 7 is awarded for a grant with an active financial conflict of interest (FCOI), the “former” Grantee is no longer required to submit an Annual FCOI Report for the grant year issued prior to the Type 6 or 7.

This change in FCOI functionality aligns the system with current NIH policy.

Initiation of New FCOI Report for Type 1 and 2 Grants is Allowed beginning on or after the Notice of Award Issue Date

Grantees can now initiate a new FCOI Report for a Type 1 and 2 grant as early as the Notice of Award issue date.

Prior to this release, the new FCOI Report for a Type 1 or 2 award could only be initiated beginning at the budget period start date.
