### Release Notes

#### New Features

##### ***Notifications Sent for Uploading Other Documents***

There is an **Upload Other Document** section on the *Create Invention Report*, *Modify Invention Report*, *Create Patent Report*, and *Modify Patent Report* screens. When other documents are uploaded for inventions and patents, the following notifications are being sent:

1. Notifications are being sent to agency users when invention and/or patent other documents are uploaded by extramural institutions.
2. Notifications are being sent to extramural institutions when invention and/or patent other documents are uploaded by agency users.

These notifications can be viewed on the *View Notification Messages* screen and will have the following notification numbers:

- 290 – Extramural Institution users
- 5290 – Agency users

Notifications are now being generated for the following conditions:

1. A notification message is generated and sent to the agency as appropriate when the extramural institution uploads the first new document in the **Upload Other Document** section on the invention and/or patent screens.
2. A notification message is generated and sent to the extramural institution when an agency user uploads the first new document in the **Upload Other Document** section on the invention and/or patent screens.
3. One notification message is sent for one or multiple other documents being uploaded simultaneously.

These notification messages are cleared from the *View Notification Messages* screen as follows:

1. The corresponding extramural institution message is cleared when one of the uploaded other documents is opened by the extramural institution.
2. The corresponding government message is cleared when one of the uploaded other documents is opened by an agency user.

- The corresponding extramural institution message is cleared when the a agency user removes the other document(s).

### View Notification Messages

Results are pre-sorted by due date. Select checkboxes, then click "Suppress Message" to suppress the associated message. Note: The checkboxes only apply to Suppress Message(s) functionality, Export Messages functionality does not use the checkboxes. Once a message is suppressed it will no longer appear on the View Notification Messages screen. To view the invention report associated with a particular notification message, select the applicable Invention Report number. Hint: If the text of the message ends with "...", move mouse over the "Message" column values to see popup of the entire message.
