### Agenda Items:

1. **eRA Commons Update**
2. **Providing Systems Support to Other Agencies**
  - Terminology Changes in eRA Commons and ASSIST
  - Thoughts on impact of systems supporting varying agency policies and processes?
  - Ways we can minimize confusion from a systems perspective?
3. **How Are Current Transitions Going**
  - Forms- E
  - Clinical Trial Specific FOAs
4. **Help Us Get a Better Understanding of Our Users**
  - We know the major players on your end, but what other types of people interact with our systems? Help us learn where they get their information from, whether staff at your institution handle both grants and contracts, whether they support multiple agencies, how experienced the average user is, if turnover is frequent, how specialized they are in terms of what parts of the system/process they use/manage, etc.
5. **Tracking Prior Approvals – Can NIH Approval of a Request Be Displayed?**
6. **Brainstorm Ideas To Make Working with the GONE Act Easier**
7. **General Discussion/Wrap-up**
